

## awol takes Kioka to MIPTV

March 21, 2011 by [Kidscreen Staff](#)

Paris, France-based awol animation is set to launch the new preschool series *Kioka* at next month's MIPTV in Cannes.

A co-production from Goldilocks Studio in Korea and KBS, the 52 x 7-minute series follows *Kioka*, a curious and confident girl who brings her imagination to life through a magical snow globe.

awol is handling worldwide distribution rights excluding Korea. Episodes one through 26 are available for October 2011 and episodes 27 to 52 are slated for delivery in March 2012.
